Audit Policy

To help ensure that TDA audits are completed in a timely manner and the requirements of the TDA are met, the following policy was adopted by the PCTPA Board on March 22, 2006:

After approval of the Final TDA Apportionment, claimants who submit TDA claims will receive only 50% of the total approved Local Transportation Fund (LTF) claim if a completed TDA audit has not been received by PCTPA at the time of the claim.

The remaining 50% of approved LTF claim will be paid to the claimant upon receipt by PCTPA of the completed TDA audit. State Transit Assistance (STA) claims will be paid in full following approval of an STA claim, regardless of whether a completed TDA audit has been received.

PLACER COUNTY TRANSPORTATION PLANNING AGENCY
TRANSPORTATION DEVELOPMENT ACT
CLAIM WORKSHEET

The purpose of the TDA Claim Worksheet is for the claimant to justify the amount of TDA funding projected to be expended in the current fiscal year. Per TDA regulations, no claimant is eligible to receive LTF and STA funding during any fiscal year for costs that exceed its actual transit operating and capital costs for the same fiscal year. While a claimant may claim any remaining TDA apportionment in excess of operating/capital costs for other purposes such as streets and roads or bicycle and pedestrian projects, the claimant may also choose to allow the unclaimed funds to remain reserved in the LTF as an unallocated apportionment (for future use only by the jurisdiction).

INSTRUCTIONS

The claim worksheet is an Excel spreadsheet with formulas embedded. Please visit <http://pctpa.net/transit/transportation-development-act/> to download the file.

Enter the appropriate numbers next to the existing dollar signs in column H.

DO NOT enter any numbers in the yellow highlighted boxes, as these boxes have been set up with formulas to automatically tabulate your claims.

If a claimant fails to expend all TDA funds allocated in the prior year, these unexpended funds shall be reflected in the TDA Claim Worksheet. The carryover amounts shall also be shown on the Annual Project and Financial Plan as funds to be spent in the current fiscal year. Carryover funds must be used in conjunction with any newly claimed funds to determine the amount of funding claimed in the current fiscal year. PCTPA will check these fund balances against the information reported in the annual fiscal audit from the prior year. Generally, claimants should not be amassing large fund balances from year to year.

After you have completed the claim spreadsheet, fill out all of the applicable forms below and return them to PCTPA with a certified signed copy of the City/Town/County Council or Board Resolution.

QUALIFYING CRITERIA WORKSHEET

The purpose of the STA Qualifying Criteria Worksheet is for the claimant to determine the proportion of STA funding eligible for operating and capital expenditures in the current fiscal year. Per STA regulations, one of two efficiency standards must be met in order for a claimant to utilize its full STA Allocation for operating purposes. The first efficiency standard evaluates whether the total operating cost per revenue vehicle hour increased at a rate greater than the prior year total operating cost per revenue vehicle hour as adjusted by the Consumer Price Index (CPI) for the State of California. The second efficiency standard evaluates whether the average total operating cost per revenue vehicle hour in the three latest years increased at a rate greater than the average of the preceding three years total operating cost per revenue vehicle hour as adjusted by CPI for the same time period. Should neither efficiency standard be met, STA funding for operating expenditures will be reduced by the lowest percentage by which the claimant's total operating cost per revenue vehicle hour exceeded the target for either standard. The remaining percentage will be limited for capital expenditures.

INSTRUCTIONS

The STA Qualifying Criteria worksheet is a tab embedded within the TDA Claim Worksheet. The STA Qualifying Criteria worksheet simplifies the process of calculating the proportion of STA funding eligible for operating and capital expenditures. Please visit <http://pctpa.net/transit/transportation-development-act/> to download the file.

The worksheet requires entry of the prior four years audited data for operating costs, allowable cost exemptions/exclusions under TDA, and revenue vehicle hours. Enter the appropriate numbers into Data Input Sections A, B, and D. DO NOT enter any numbers in the yellow highlighted boxes, as these boxes have been set up with formulas to automatically tabulate your claims. Cell O7 and O11 will indicate whether Efficiency Standard 1 or 2 are satisfied, respectively. Cell Q13 indicates the amount limited for capital expenditures while cell Q15 indicates the amount eligible for operating purposes. This information should be input into question 9 above.

The excel version of the qualifying criteria worksheet should be submitted with all other documents and forms when submitting a claim.

CLAIM FORMS**

Fiscal Year 2017/18

BEFORE FILING THIS CLAIM, PLEASE CHECK WITH PCTPA STAFF TO ENSURE YOUR CLAIM IS CONSISTENT WITH THE CURRENT BICYCLE AND PEDESTRIAN 5-YEAR CASH MANAGEMENT PLAN.

TRANSPORTATION DEVELOPMENT ACT (TDA) CLAIM FORMS MUST BE SUBMITTED TO PCTPA THREE WEEKS PRIOR TO A PCTPA BOARD MEETING. FOR THE LATEST BOARD MEETING SCHEDULE, VISIT WWW.PCTPA.NET.

A completed PED/BIKE claim package includes the following:

- Completed forms:
 - Bicycle and Pedestrian Project Description and Financial Plan
 - Claim For LTF Bicycle and Pedestrian Funds

- Certified copy of resolution from the claimant's governing board approving the claim and its submittal to PCTPA. The resolution must include the specific dollar amount of LTF Bicycle/Pedestrian funds being requested. See attached sample resolution.

Only ONE original claim form and/or PCTPA Board of Directors resolution will be returned to the claimant following approval.

LTF Claims for Bicycle and Pedestrian Facilities

At the discretion of the Board, PCTPA typically allocates 2% of the LTF for bicycle and pedestrian facilities. PCTPA works with staff of the six cities and the County of Placer to develop a cash management plan with a five-year horizon. Allocations are made to each jurisdiction based on existing and projected future population.

Using the attached bicycle/pedestrian claim forms, jurisdictions may submit claims to PCTPA that are consistent with the five-year cash management plan. The claim form must be accompanied by a resolution from the claimant's governing board approving the claim and its submittal to PCTPA. Approval of the claim by the PCTPA Board then reserves the funds for that particular jurisdiction's bicycle and pedestrian facility projects. As the jurisdiction expends funds in implementing the projects, it should submit invoices, accompanied with appropriate documentation, to PCTPA. PCTPA will then forward allocation instructions to the County Auditor's office, which will reimburse the jurisdiction up to the maximum amount of the original claim. If a jurisdiction does not claim its allocation of bicycle and pedestrian funds within the five-year window of the cash management plan, the funds will revert to the LTF for apportionment.
