Statewide Transportation Improvement Program (STIP) –

All federal funds to be used for transit projects must be included in a federally approved STIP. A Transportation Planning Agency (TPA) must ensure that Section 5311 projects are included in the Department of Transportation’s (Department) Statewide Transportation Federal Improvement Program (FSTIP), which is jointly approved by the Federal Highway Administration (FHWA) and FTA.

A copy of the federally approved STIP Page must be attached for all projects to be programmed through the Section 5311 program. The project description and associated dollar amounts must be consistent with the federally approved STIP information.

Metropolitan Planning Organizations (MPOs) are responsible for programming projects within their jurisdiction. Upon receiving the POPs from the Districts, Rural Transit & Procurement staff will submit **Non-MPO / Rural Transportation** organizations projects directly to the Department’s Division of Transportation Programming for inclusion into the FSTIP.

For further guidance see the Department’s Division of Transportation Programming website:
