PLACER COUNTY AIRPORT LAND USE COMMISSION (ALUC)
LEGAL NOTICE**

NOTICE IS HEREBY GIVEN that the Placer County Airport Land Use Commission (ALUC) will conduct a public hearing on the date and time noted below, on a request from Placer County to review proposed Beekeeping Code Amendments for a determination of consistency with the Placer County Airport Land Use Compatibility Plan (ALUCP). State law requires that any amendments to a zoning ordinance that affects land within an airport influence area be reviewed for consistency with the ALUCP.

Placer County proposes to add a new article to the Placer County Code, Chapter 6, Article 6.32 entitled “Beekeeping,” and amend the Zoning Ordinance, Chapter 17, Article 17.56, Section 17.56.050: “Animal Raising and Keeping,” pertaining to beekeeping..

The adopted 2021 Airport Land Use Compatibility Plans identifies noise, safety, airspace protection, and overflight policies and requirements applicable to new development surrounding Auburn Municipal, Blue Canyon, and Lincoln Regional airports. The proposed Beekeeping Code Amendments have no impact on airport land use compatibility; would not result in any modifications to land use; and do not conflict with the safety, height, and noise policies in the ALUCP.

Staff recommends that the ALUC find that the Placer County Beekeeping Code Amendments consistent with the 2021 ALUCP. The public hearing will be held on:
